**NARRATIVE:**

Davis, a registered sex offender, and a documented 112<sup>th</sup> St Hoover Crips gang member, has an extensive criminal history that began at the age of 19. He has been convicted of lewd acts with a child under 14, oral copulation, failing to register as a sex offender, battery of peace officer, possession of marijuana for sale, possession of controlled substance for sale, transporting controlled substances for sale, and fugitive from justice. Davis has served multiple state prison terms, the longest, a six (6) year term for transporting controlled substances for sale. Davis was released from state prison to the supervision of the Los Angeles County Probation Department on October 27<sup>th</sup>, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Davis absconded from post release community supervision (PRCS). Davis qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transporting controlled substances for sale falls under the guidelines for PRCS under the California penal code. His prior criminal history, status as a sex offender, gang affiliation, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
